

Title

World Peace Youth

Description

The activity is based on an online live discussion on peace-related topics and the reasons that hinder its progress. Young people from all around the world are involved.

The activity is promoted by [Peace Pals International](http://www.wppspeacepals.org) and [Living Peace International](http://www.worldpeaceyouth.org)

Target group

16+ year-old kids from any school, group, or association.

Goals

- Spread the culture of peace among young people
- Allow young people to express their ideas and offer solutions to build peace
- Let young people be an active part of the change they wish to see in the world
- Facilitate the exchange of ideas among young people of every country, culture, and custom, creating positive relationships

Activity

1. Take part in the online live roundtable with young people from all over the world. The discussion is in English.
2. Invite other people and register [HERE](#)
